Life is sweeter with you.

Our pop-up lollipop bar was a small reminder of something big — it's the people here who make RÊVE Boulder such a sweet place to call home. We love creating moments that bring neighbors together and add a little extra joy to everyday living. Because community isn't just where you live — it's how you feel.

Playforms

New Neighbor Spotlight: Welcome Playforms!

We are thrilled to welcome one of our newest residents to the Live/Work community at RÊVE! Their business, **Playforms**, is officially open and ready to inspire our youngest neighbors. Every session is thoughtfully designed with soft materials and intentional layouts that allow kids to explore, build, and move freely. It's a beautiful, safe space where children can lead their own adventures while parents enjoy total peace of mind in the structure and care provided. Swing by, say hello, and check out this incredible new addition to our neighborhood!

New RÊVE Team Member

Madi Lillie

Team Spotlight: A Warm RÊVE Welcome to Madi Lillie!

We are thrilled to introduce the newest face in our leasing office, Madi Lillie! Madi recently traded the Great Lakes of Michigan for the mountains of Colorado and is already diving headfirst into the local scene. Whether she's exploring Boulder's beautiful trails, hitting the local disc golf courses, or soaking up the vibrant arts community, she's embracing everything her new home has to offer.

Madi didn't come alone—she brought along her sweet pup, Juniper, who just happens to be our current Pet of the Month! When she isn't helping future neighbors find their perfect home at RÊVE, Madi is often found with a paintbrush in hand, creating beautiful works in acrylic and watercolor. We are so lucky to have her creativity and warmth on our team. Next time you're passing through the lobby, please stop by the office to say hi and give her a warm welcome!

Pet Of The Month

Juniper

RÊVE Pet of the Month: Juniper

Meet our March superstar, Juniper (or "Junie" to her friends)! This sweet 7-month-old Golden Retriever is the definition of a social butterfly, and she truly believes every person and animal she meets is her new best friend. When she isn't busy being the best girl, Junie spends her days at RÊVE mastering the perfect game of fetch, chasing her feline brothers around the apartment, and collecting as many belly rubs as humanly possible. She is a massive fan of our community, so if you see her out on a walk with Madi, be sure to stop and say hello—she'd be heartbroken to miss a chance to make a new friend!
