Paint & Sip

Creativity, wine, and a great night together

Our Paint & Sip at RÊVE Boulder was full of good energy and personal touches. A huge shoutout to our on-site team for making it all happen so seamlessly behind the scenes!

Moments like these are what make this community feel like home.

What Residents are Saying

LS.

I live at a different property near the Reve, but my package was mistakenly delivered there. I stopped in their office, and the staff was very friendly in helping me find my dog's favorite treats! 0 stars to amazon for always having these problems, but 5 stars to the reve office team for being so kind even though I'm not a resident there.."

May in Boulder

Your Purposeful May Day Itinerary

May 1st marks the beginning of Boulder's most vibrant season, and there is no better place to experience it than from our home base in Boulder Junction. Start your morning with a slow coffee in the newly opened RÊVE Community Garden, taking a moment to appreciate the fresh spring landscaping before the day picks up. If you're looking for mid-week momentum, head over to Valmont Bike Park on **Wednesday evenings** for the grassroots Short Track Series, or spend your afternoon at the historic Roadhouse Boulder Depot for a craft brew on the patio. As the month continues, mark your calendar for **Boulder Startup Week (May 4-8)**, the Firefly Handmade Spring Market on Pearl Street (**May 16-17**), and the legendary Boulder Creek Festival over Memorial Day weekend (**May 22-25**). Whether you're exploring local makers or enjoying the rush of the creek, May in Boulder is all about connecting with the energy of the mountains.

Live Well

Mental Health Awareness Month

Mountain Stillness & Digital Detox

In a city that's always on the move, true wellness is found in the moments we choose to stand still. This May, for Mental Health Awareness Month, we are focusing on the power of "Mountain Stillness"—intentionally disconnecting from digital noise to reconnect with your own rhythm. We invite you to protect your peace with simple rituals: spend an hour on the Wonderland Creek Trail with your phone on Airplane Mode, or head to the Boulder Dushanbe Teahouse for a slow-tea service to practice being fully present. For a deeper reset, consider a restorative sound bath at a nearby studio, such as Radiance Yoga, to help quiet the inner critic. However you choose to find your flow this month, remember that slowing down isn't a luxury—it's a necessity for a life well-lived.

Pet Of The Month

Monk

RÊVE Pet of the Month: Meet Monk!

We are so excited to introduce our May Pet of the Month at REVE, the one and only Monk! As a one-year-old Bernese Mountain Dog and Golden Retriever mix, Monk has a personality that is every bit as oversized as his paws. Known to his close friends as "Monkey," he is a lovable goofball who truly wants to be best friends with everyone he meets. When he isn't busy winning over the neighborhood with his charm, you can find him hitting the trails, playing an intense game of tug-of-war, or chewing on his favorite sticks. Monk is always on the lookout for his next best buddy, so if you see him around the community, be sure to stop and say hello!
