Pet Of The Month

Mashed Potatoes & Gravy

Prepare for a double dose of cuteness with our Pet of the Month duo, Mashed Potatoes & Gravy!

Mashed Potatoes is the softest, fluffiest pile of love in feline form, specializing in dramatic loafing and giving soulful stares. His sleek and silky sister, **Gravy**, is a pro at finding the coziest sunlit spot to pour herself into. Together, these two are perfectly balanced chaos—they'll demand belly rubs, share a single judgmental glance, and occasionally attempt some adorable synchronized moth pouncing. This sibling pair is simply purr-fectio!
