Where 2025 Brought Us Together

Looking back on 2025, this community reminds us that connection is created when people show up fully, share their energy, and choose to come together.

From wellness fairs, yoga, gym, and circuit classes to pizza nights, donut and burrito parties, casino nights, and so many moments of everyday fun, each gathering became a space for laughter, movement, and genuine connection.

What Residents are Saying

DB.

"I've lived at the Reve for over two years and have generally been very happy with the experience. The buildings and facilities are all well staffed and maintained and the location is great. The front office is courteous and professional and generally responsive to issues/concerns as they arise. One of the things I've been most impressed with is the care that the support staff take in the upkeep of the property and grounds. They're always quick and responsive to maintenance requests in individual apartment units but the pride that they take in keeping the property clean and well maintained has always been appreciated. They work hard on a regular basis to make sure our homes are well taken care of. And for that I'm very appreciative."

Live Well

Peak Presence

The Vibe: Crisp & Invigorating — Focus: Winter Trail Mindfulness

January in Boulder is all about the "Bluebird Day" energy. This month, we're challenging you to practice Peak Presence—a mindful approach to our snowy backyard. While the Flatirons look stunning from your window at Reve, there is a unique mental clarity found in a silent winter hike. The sound of crunching snow and the scent of crisp pine act as a natural reset for your nervous system, helping clear any lingering holiday stress.

Your Wellness Mission:

Chautauqua Chill: Head to Chautauqua Park for a morning "Silent Walk." Try to notice five things you can only see when the leaves are gone.

Cold Therapy: Take a page from the Nordic playbook and try a contrast shower—alternating 30 seconds of cold with 30 seconds of warm to boost circulation and immunity.

Local Hydration: High altitude + dry winter air = dehydration. Visit the Dushanbe Tea House for a warming, antioxidant-rich tea ritual to keep your glow all winter long.

Annual North Coast Holiday Food Drive

Pet Of The Month

MURFIE!

RÊVE Pet of the Month: Murfie

Meet Murfie, our adorable January Pet of the Month, and the perfect way to kick off 2026! While he may technically be a stuffed animal posing as a dog, his impressive tail wagging and tongue-flapping skills are clearly advanced robotics at work. Murfie is proudly 100% fluff, 0% bark, a loyal friend to his fellow stuffed animal pals, and a treat enthusiast—despite his inability to digest them. And when the season calls for it, Murfie can rock a Santa sweater like no other. Truly an icon.
